

Trail Design Survey

A survey designed to gather the experiences of hikers on a specific trail.

Although this is a survey designed for a project to practice my skills with experimental design, please feel free to answer the survey!

Think of the most recent hike you've been on and try to recall the features you experienced. Thank you for the data!

* This form will record your name, please fill your name.

1. I had to re-route my trip on the trail.
